

# Yoe FFA Incentives Field Trip & Y Award Trip Qualifications 2024-2025

We want all of our FFA members to have a well-rounded FFA experience. To provide this we offer our students several ways for members to step up and expand their leadership experiences. The following point values will be awarded for activities above and beyond the school day. If you obtain 40 points and at least five GREEN points by December 15th you will receive your Yoe FFA Jacket if you have not already done so. A minimum of 50 points as well as **at least one point from each of the different colored categories will be needed** to obtain the FFA Trip at the end of the year as well as to qualify for the Y Award, all points end May 1st.
